

Duxbury Clipper

YOU CAN GO HOME AGAIN – Cindy Purcell's (far right) grandfather started the Huckins Boat Company in Duxbury. He built his first boat here in 1906. Purcell, the current president of Huckins Yachts, brought the first Huckins 44 back to Duxbury to celebrate the company's origins. Huckins Yachts is now based in Jacksonville, Florida. With Purcell (left to right) are Ruth Hall, Meredith Habgood and Whitney Annicelli.
